

BELLEVILLE GOVERNORS

24 June 2011

Letter from the Chair and Head Teacher Kate Amis and John Grove

Consultation on Academy Status

Dear Parents, Carers and Staff,

Governors met last night following the close of consultation on Wednesday 22 June to consider and discuss the responses we received and additional information gathered during the consultation period.

We are pleased to inform you that the Governing Body has voted to proceed with the conversion to academy status.

We appreciate the participation of all those who have contributed to the consultation. The school will now begin the process of making a formal application to the Department for Education. Governors will continue to meet and update you regularly on our progress throughout the process.

We would like to reassure you there are no plans to make any major changes to the school as a result of this decision, for example there will be no change to the school's name.

We would personally like to thank all the governors for the time and energy they have put into this discussion and are confident that this is the start of an exciting new journey for Belleville School.

Thank you for your continued support of Belleville School.
