

RQT PROGRAMME AT BELLEVILLE

In partnership with our alliance schools, Belleville has developed a highly effective training programme for teachers in their second or third year of teaching.

The course delivers training on key areas that will assist Recently Qualified Teachers (RQTs) in developing effective practice. Part of the training includes opportunities for observations of outstanding practice with a lesson guide. Subsequently, participants unpick the lesson together with our experienced class teachers and leaders.

The programme consists of four one-day sessions, focusing on key topics such as:

- **Developing long term memory**
- **Behaviour**
- **Marking and feedback**
- **Assessment**
- **Questioning**
- **Collaborative learning**
