

11+ Saturday Classes for 2018

Dear Parents,

We hope this letter finds you well. We are writing to inform you the commencement of our 11+ Saturday weekly classes, which will take place at Belleville Primary School on Belleville Road in Battersea, SW11 6PR starting **13 January 2018**.

Equipped with an interactive whiteboard for teaching, computers and learning resources, the lessons will be held in a stimulating classroom designed for teaching and learning.

Taught in small groups, the lessons will alternate between English and Mathematics, offering additional Reasoning practice. Learning will be fun and interactive whilst maintaining the academic rigour of our one-to-one lessons.

Students will be given ample opportunities in the lessons to engage in fun activities specifically geared towards the 11+ syllabus which will cover all the topics that are required over the course of the year. The lessons will adhere to a bespoke 11+ syllabus we have created in both English and Mathematics based on our knowledge and experience of the 11+ assessment criteria for the past decade. They will be taught by the Heads and Deputy Heads of English and Maths in the company whom are fully qualified and experienced ex-Heads of Departments and teachers.

Spring Term 2018

Every Saturday | First lesson: 13 January 2018 | Last lesson: 24 March 2018
(no lessons during half term on 10 & 17 February)
