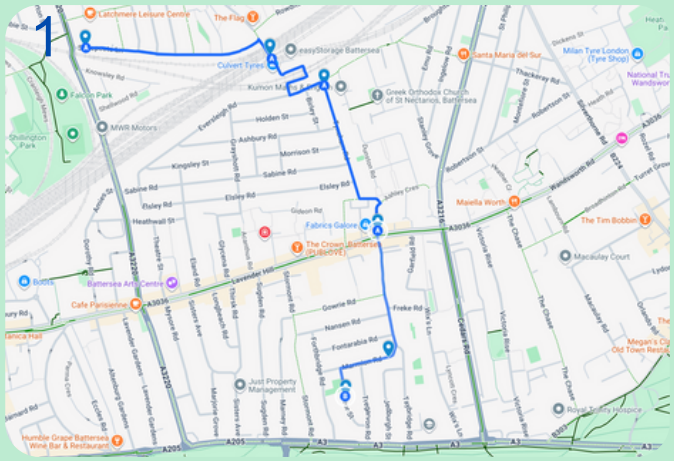
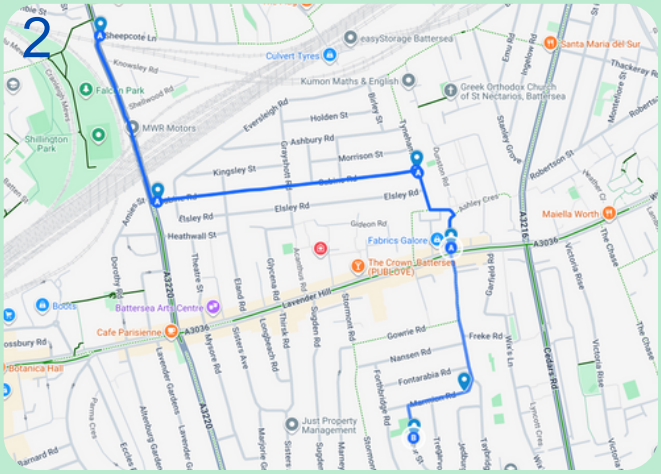
Belleville Primary Meteor Site Bike Bus!

Sustrans are working with Wandsworth Council and Belleville Primary Meteor Site to establish a Bike Bus. A bike bus is a group of people cycling and/or scooting to school together. It's a fun way to make the benefits of cycling and scooting a regular part of the week! There's nothing like riding with friends to start your day right!

Bike bus suggested routes:





Next steps...

If you live on/near the above routes, then please join the WhatsApp group using the link/QR code below. We will be trailing the Bike Bus in the coming weeks!

https://tinyurl.com/bellevillemeteorbikebus

Sustrans worked with parents/carers to establish common cycling and scooting routes to Belleville. These routes are displayed above.

If you would like to find out more information, please email Millie.Wallis@Sustrans.org.uk. We aim to launch the Bike Bus in the next few weeks!
