27 June 2025

Dear Parents and Carers,

The summer term events continue to come thick and fast. It is a real pleasure to see the children having such a range of opportunities - whether it be at sports days, music performances, end of term assemblies and the rest.

We would like to say a huge thank you to all the parents that make time to come and support these events. We know it is not always easy to make the arrangements to do this and it means a lot to the children to have an appreciative audience and such support.

Thanks also to all the teachers and staff that work so hard in organising and preparing the children for these events. They are such an important part of school life; we look forward to seeing you there.

## New School Catering

We are very pleased to announce that from September 2025, we will be moving our school catering for all the schools in the Q1E Trust to [Lunchtime Co.](#) Lunchtime Co. are a relatively small company who we believe will work in partnership with us and be responsive to feedback.

We were impressed with their menu variety, sourcing of good quality local fresh produce, and positive references from other schools. Next term there will be opportunities for parents and carers to sample some of the new menus and we will provide further details about these events after the summer break. You can [read their newsletter here.](#)

## SEN update

This year we have had many developments in our Inclusion team and provision. We have created a SEN team made up of teachers in all key stages who have been representatives promoting Inclusive practice across the school. We have celebrated Neurodiversity week and Dyslexia awareness week, increasing the profile amongst children and staff. Staff have also received training in strategies to support neurodiverse learners and speech and language needs.

We will be hosting a coffee morning on Tuesday 1 July at 9am at our Webb's Road site, to introduce Fiona Allan who will be taking over in place of Samantha Burst during her maternity leave. It will also be a chance to reflect on the year and to discuss hopes for your children next year. Refreshments will be provided and parents/carers from both Meteor and Webb's are welcome. We look forward to seeing as many people as possible. To help give us an idea of numbers, [please could you sign up here.](#)

We'd also love to hear what you feel has worked well this year and any other questions you may have. Please [complete this short survey](#) to let us know.

## Year 6 Update

The glorious weather arrived at the right time for our intrepid Year 6 children. Their enthusiasm for a challenge, resilience when facing difficulties and team spirit made their residential week a huge success. Having built rafts, fired arrows, started fires, conquered obstacles courses and much more, these children are well and truly ready for the challenge that awaits them next year. They should be proud of the way in which they jumped into the week and will, I'm sure, have memories that they will enjoy for years to come. The whole trip would not have been possible had it not been for the amazing support of the Year 6 parents/carers in fundraising and all the Belleville staff who gave up their time with their families to give the children this magnificent experience.

At school, learning will continue until the end of the year as we seek to best prepare the children to transition into secondary school life. There are also exciting enrichment events coming up in the calendar such as the class assemblies and the Year 6 disco!

## Bike Bus

Millie, an officer from Sustrans working with Wandsworth Council, will be in the playground at Webb's Road on Wednesday 2 July at pick-up time to chat with parents about their routes to school. This is to establish common routes and to see if there is any interest in a Bike Bus at Belleville Webb's Road site. A Bike Bus is a group of families cycling to school together. Come and chat to Millie if you're interested! [Watch this video to see a Bike Bus in action!](#)
