 - Reception: 2.25pm
 - Nursery: 2.30pm

Dear Parents and Carers,

As we have sent out voting papers today for a new elected parent/carer governor (see Parentmail and your oldest child will have a paper copy), it is a good time to thank you again for all of your contributions to the school. From the PTA and local governing body who give so much of their time and energy to make the school the best it can be, to all of you who volunteer your time and enthusiasm for trips, reading, driving minibuses, planting flowers (to name a few) that mean we can support your children's to have great experiences. Thank you and have a warm and wonderful weekend!

With best wishes,

Mary-Lyne Latour (Headteacher Infants) and Sarah Atherton (Headteacher Juniors)

Our first priority is to ensure all children and adults are safe.

Please do talk to any member of staff if you have any worries for yourself or others in our community.

Year 6 'Go Ape' at Alexandra Palace Park

Year 6 children, staff and parents/carers bravely ventured into the wilds of North London on Wednesday for a special trip to Alexandra Palace Park. There were gasps as the bus rounded the corner by the palace and they saw the magnificent views over the city. The children spent the day with all of Go Ape to themselves – tackling the challenges of the treetop course and some teambuilding games in the field. The children made us all so proud in how they encouraged and supported each other.

News

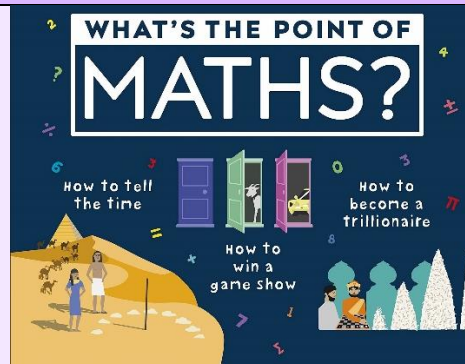

Could you share your (or someone you know's) knowledge or expertise?

We have really benefitted from so many of you sharing your own experiences with the children or putting us in touch with other people you know. It may be your job, an interest or part of your culture that you could share.

There is a maths opportunity to the right but any offers are very welcome – simply email the school.

Do you use maths in 'real life'?

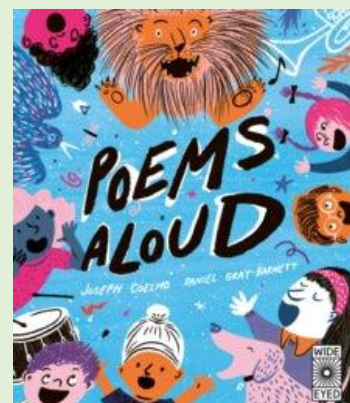

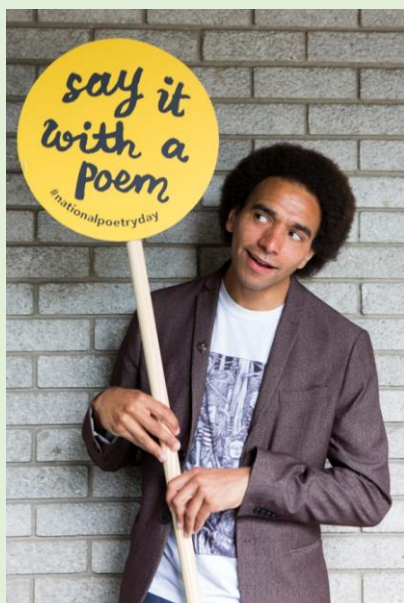

Maths Week will be taking place from the 11th -15th July across the Trust. During this time, we aim to further develop children's love of maths, and help them to see the real-world application of their learning.

If you use mathematics in your profession (architecture, retail, finance, computing, construction, real estate...) and would be willing to share your experiences with children, please get in touch with us at enquiries@bellevilleschool.org

Year 4 Meet Poet Joseph Coelho

Year 4 had a wonderful visit at the Barnes Children's Literature Festival today. They listened to a presentation by the poet Joseph Coelho, who has inspired much of our poetry writing in English lessons. They even managed to get an autograph!

Sports News: Year 5 and 6 Girls' Best Cricket Festival

At Spencer Cricket Club, we played five matches of cricket. eight schools were at the festival and on our team some people had never played cricket before but we still came 3rd.

If we weren't sure on something, they helped you which was a good experience. Each match lasted around 45 – 60 minutes. Overall, we had lots of fun and played very well.

Annabel, Year 6

More Sports News: Year 4 Cricket Tournament

There were five Belleville teams. The final was Belleville Webb's vs Belleville Meteor. Everyone had a great time and people who didn't know how to play cricket, learned a lot. All the teams did very well and played their best. Thank you to all the children and coaches for participating and helping. It was at Clapham Common and was organised by Ms George and Ms Ogunyemi. At the start of this tournament, no one knew a lot about cricket but all the teachers and staff helped people come on a lot. We were probably one of the best schools in the tournament as all the cricketers helped all of the non-cricketers become some of the best in the year.

Leo and Freddie, Year 4
