

Dear Parents and Carers,

Welcome to the summer term!

It was such a pleasure for us to see all of the children return last week and we both had a very proud moment as the school buildings sprang back to life with the sounds of Year 6 drumming, excitement in PE on the playground and lessons in all subjects getting underway.

During our INSET day last week our staff had training in: maths: how to support children who have English as an additional language; teaching reading; supporting children who are eligible for Pupil Premium; how to support children to self-regulate and meeting their social and emotional needs as well as looking ahead to plan the lessons for the summer term.

We have had a number of meetings with the PTA about the long awaited Webb's playground developments, unfortunately delayed by Covid, and thank them for all of their work and time in the fundraising as well as moving these plans forward. We should have an exciting new playground plan to share with you soon.

We are looking forward to the next 11 weeks of teaching, learning and being together as a community.

Best wishes,

Sarah Atherton (Headteachers Juniors)

Mary-Lyne Latour (Headteachers Infants)

Pauline and Alice (Year 5), Leonie (Year 3) and Elliot (Year 1) organised a bake sale for Down's Syndrome.

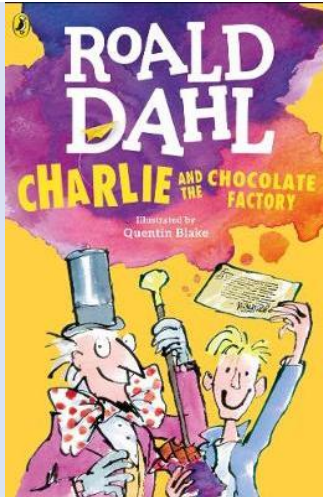

They baked cookies, cupcakes and make some homemade lemonade and organised a bake sale on Friday 1<sup>st</sup> of April in Wandsworth Common.

They raised £126.75 for the Down's Syndrome organisation. Congratulations to all four of them and a big thank you to everyone who came to support their initiative.

They have shown all of our school values – considerate, articulate, responsible and effort!
