Activities and Achievements

In the year ended 31 August 2017 we raised a total profit of £47,015 from PTA events and activities vs £39,183 in the prior year.

Our fund raising events included the ever popular Christmas and Summer fairs, multiple Christmas activities including the sale of calendars, trees and Christmas cards and an evening shopping event, a quiz night, discounted theatre trips, film nights for the children and a fun run for parents and children. Other resurrected initiatives included a parents' disco and a Valentine's disco for the children – both discos but very different in style and a good time had by all. Finally, a new online app proved an easy way to make over £400 per quarter, just by doing the shopping.

After the significant funding projects of the last couple of years (refurbishments to Meteor playgrounds and setting up a programme of music provision), 2016/17 was a mainly a period of consolidation. The largest donations were to cover resurfacing the Webbs site playground in preparation for the 2016/17 school year (£10,000) and to continue our support of the music programme (ongoing funding of £10,000 required).

Other support included additional music bursaries for promising pupils, funding training and/or new equipment for various sporting initiatives (gym mats, running club, swimming badges, netball kit, sports day medals) and providing a number of sixth form activities, including first aid courses and leavers' hoodies. The Trustees would also like to thank the Belleville PTA class reps for their support in running various events during the year and in organising a collection that raised an amazing £1000 for the Grenfell Tower fund.

As of 31st August 2017 we carried forward £76,018 (of which £18,861 is restricted cash as it is for the benefit of the Belleville HoneyPot team which provides support and activities for more disadvantaged pupils at the school).

The Belleville HoneyPot team raised £14,669 during the year through a talent show and a sponsored swim undertaken by Belleville pupils. The sponsored swim funds should significantly improve the swimming provision for a number of pupils at the school.

A significant proportion of the 2014/15 carried forward balance has now been provided to the school in accordance with our previous promises and the Trustees have continued to raise money in order to be able to support the school with future projects. In the meantime, the Trustees agreed during 2016/17 to continue to part fund the music programme, the current sporting initiatives and sixth form activities.

In addition to fundraising activities, we also organise welcome events for the new reception children and their parents and other 'school community' events including a year 6 leavers' disco and first aid courses and, from time to time, courses for parents such as online safety or first aid. We also introduced a new app for the parents at the end of the 2015/16 year and this has been one of the main methods of school communication with parents during 2016/17.

The Trustees recognise that they must always have regard to the guidance on public benefit issued by the Charity Commission and, as such, are always looking for new and interesting ways to raise money to support the school community. They encourage all parents across the Webbs and Meteor school sites to support them in their aims [and look forward to working more closely with the PTA at the latest Belleville school, Belleville Wix].

Reserves Policy

Belleville PTA seeks to support Belleville School by providing financial and other assistance to those projects agreed by the Trustees (and in consultation with the Headmaster) as good causes, whilst maintaining at all times a positive level of reserves. Thus, the amount of reserves remaining at the end of any given financial year will be determined solely by the Trustees.

The reserves as at 31st August 2017 were £76,018 as shown in the accounts (of which £18,861 is allocated to Belleville Honeypot and not available for use by the PTA). Approximately £20,000 of the current Belleville PTA funds is already expected to be used for ongoing funding promises, but this still leaves significant available reserves to support Bellevill School before current year fundraising.

We recognise and are very grateful for contributions from the school parents and local businesses and with their continued support for our activities aim to continue to rebuild our reserves so we can continue to support the school at a time when all public financing is stretched.

Independent Examiner's Report to the Trustees of Belleville Parents and Teachers Association

I report on the accounts for the Trust for the year ended 31st August 2017.

Respective responsibilities of trustees and examiners

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

1. Examine the accounts (under section 43(3)(a) of the 1993 Act)
2. To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the 1993 Act)
3. To state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with my examination, no matter has come to my attention:

- 1) Which gives me reasonable cause to believe that in any material respects the requirements
 - a) To keep accounting records in accordance with section 41 of the 1993 Act; and
 - b) To prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Acthave not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
