Parent – Teacher Communication

- Staff will be available for brief conversations every day after school in the playground.
- Staff are always happy to make appointments to meet parents before or after school if necessary.
- If there are any urgent messages during the school day, please speak to our office staff.

Working in Partnership

- **Aims:** We want your children to be safe; to have excellent social and emotional skills; and to achieve and succeed.
- This requires effective partnership between children, parents/ carers and staff, even when things do not go as we all would wish.
- Consistent support and open communication is vital.

Our Curriculum

In Quality First Education (Q1E) schools, all children receive a world class, inspirational and aspirational curriculum driven by the principles of improvement, excellence and equality. We have a broad and balanced approach rooted in subject disciplines, which ensures excellent personal, physical, academic, social, emotional, aesthetic and cultural development for all children.

Behaviour Policy

(Making the Right Choices)

Principles:

All (children and adults) will make the right choices to ensure that everyone:

- 1. Is kept and feels safe
- 2. Can learn
- 3. Feels welcome and valued

To be able to make the right choices, children need to understand and (appropriate to their age/stage) be able to explain/reflect/act upon:

- 1. What the right choice is
- 2. Why this is the right choice (i.e. how it supports points 1, 2 and 3)
- 3. How to take responsibility for their choices

Recognising Right Choices

- House Points
- CARE values
- Excellent Learners
- Achievement award Certificates
- Badges

Addressing the wrong choices

- Wrong choices will be addressed as they arise according to our Behaviour Policy, which can be found on our website
- Incidents of behaviour will be recorded – this allows us to spot patterns and help tackle issues
- For any ‘medium’ or ‘high’ incidents, parents/ carers will be informed (awareness/ we can work together to support your child)

Addressing the wrong choices

- Time to calm down (if needed)
- Time to discuss and resolve any problems that may have arisen
- Support children to think through the consequence of their choice, how they can fix any issues and how they can make the right choices in the future
- Consequences are appropriate to the level of behaviour according to our policy

Classroom system for addressing the wrong choices

Belleville House System

Why?

- Using House point systems has been shown to have a positive impact on motivation and behaviour, as well as encouraging a sense of identity and belonging among school pupils.
- Such systems are inclusive and help develop a variety of skills, not just academic.
- A sense of camaraderie, teamwork and healthy competition is nurtured, which contributes to a thriving school culture.
- Leadership opportunities for Year 6 House Captains.

How?

- Children earn house points linked to CARE and Excellent Learner values or for excellence in subjects across the curriculum.
- House points are awarded with physical tokens and stickers, and are counted electronically as part of an online system. CARE, Excellent Learner stickers and House stickers are used to award House points.
- Specialists, SLT, lunchtime staff and playground staff will all award house points too.
- At the end of the **half term** term, the winning house will be announced in assembly and rewarded with a 'house cup'.
- Children are working towards a collective house goal.
- House Points cannot be taken away.

Secondary Transfer

- For school visits:
 - send children to register at Belleville first where possible.
 - inform the office beforehand.
 - provide supporting documents (email/ invites) so that we can have accurate registers.
- For independent schools, references can be provided.
- Some schools require children to sit the ISEB test. If you would like your child to complete the ISEB test at Belleville, you can register to do so via their website where we are listed as an invigilation centre.
- The Wandsworth Test is no longer compulsory for all children. If you have signed up to complete this for the four schools which require it, you will be informed of the date and location of the test.
